These events mark the first programs of the Friends of the Library and Media Services, a newly-formed group organized to provide community support and to assist the Library and Media Services in its mission and goals. Those goals include fostering information access and educational excellence at Humboldt State University. The Friends will conduct and sponsor educational and cultural activities, work to promote knowledge of the resources and services of the Library and Media Services, and support and assist in the development and expansion of current and future services, collections, and facilities.

We look forward to meeting you and to welcoming you as a Friend.
