Dear Librarian:

In September 2008, we sent you a copy of the *Redwood National Park and Green Diamond Resource Company Rights-of-Way Exchange Environmental Assessment (EA)*. We have completed our planning for this project and have documented our decision in the enclosed Finding of No Significant Impact.

We will be issuing a press release announcing that the document will be available at the library and are sending letters to individuals stating that there will be a copy at the library. We are also sending copies to the County Board of Supervisors, affiliated American Indian tribes, government agencies, organizations, businesses, and individuals who received the plan originally.

If you have any questions, please feel free to contact me at (707) 465-7703 or via e-mail at aida

We appreciate your assistance with providing an opportunity for the public to participate in the planning for Redwood National and State Parks.

Sincerely,

Aida Parkinson
Environmental Specialist
