Dear Librarian:

We have prepared the enclosed environmental assessment to describe a proposal to improve a trail in Redwood National Park north of Orick. We would appreciate it very much if you could make this document available for public review upon request. We will be issuing a news release stating that the document is available at local libraries in Crescent City, McKinleyville, Humboldt State University, Arcata, and Eureka. The document is also available on the internet at <http://parkplanning.nps.gov/REDW>. The public comment period on this plan closes April 23, 2010.

If you have any questions, please feel free to contact me at (707) 465-7703 or via e-mail at aida_parkinson@nps.gov.

We appreciate your assistance to provide opportunities for public comment on park activities.

Sincerely,

Aida Parkinson
Environmental Specialist
