Bridgeville--Heart Of The Upland Empire

OLD PIONEER TOWN IS MEETING POINT OF ALL ROADS IN AREA

Bridgeville is the gateway to the Upland Empire and the heart of the region. This old mining town, with its many old buildings and picturesque streets, offers a glimpse into the past.

The town has a rich history, dating back to the gold rush days of the 1850s. It was once a bustling mining center, but today it is a peaceful community that attracts visitors from all over the world.

Mrs. Vera Fowler and pupils at bridgeside school.

This is the third bridge erected on the American side in 1925.

The Lloyd Snyder family have lovely home.

Bridgeville's story is always being told. Henry Cox wears old vest.

Bridgeville's valley looks beautiful from nearby heights.

The Van Duns river offers a serene setting.
