Humboldt State

(Continued from page 13)

The masking ceremony, which marks the end of the fall term, is held in the auditorium of the university. The ceremony is attended by the university president, the faculty, and the students. The ceremony is followed by a masquerade ball, which is attended by the students and their guests. The masquerade ball is a formal event, and the students are expected to dress in formal attire. The ceremony and the masquerade ball are both important events in the university's calendar, and they help to create a sense of community among the students.
