Orleans--Gold, History, Romance Merge

By CHEL SCHWARZKOPF

Orleans is Humboldt's historic mining town—a place rich in pioneer and Indian lore, which was more than a century old by 1850. It is located on the Klamath River, about 30 miles from Eureka, via Willow Creek and Weitchpec. The town is surrounded by mountains, although their wind-size buildings and wooden sheds that are typical of mining camps today.

The visitor to Orleans is greeted by the historic Orleans Hotel, built in 1852. The hotel is a three-story wooden structure with a cupola and a clock tower. The hotel has been restored and is now a museum. The town of Orleans is also home to the Orleans Mining Museum, which features exhibits on the history of mining in the area.

The river flows through Orleans, and there are several waterfalls in the area, including the Orleans Falls. There are also several hiking trails in the area, including the Orleans River Trail and the Orleans Falls Trail.

PIONEER MINING TOWN STILL CAPITAL OF KLAMATH EMPIRE
