SCHOOL AND ENVIRONS

Shively’s Shively School occupies one of the prominent places in a district noted for its picturesque scenery.

The school is located in the heart of the town, and is surrounded by the beautiful scenery of the Est River.

The school was built in 1912, and is supported by the town and surrounding districts.

It is a two-story building, with several classrooms, a large hall, and a library.

The school is equipped with all modern educational facilities.

The pupils are well instructed, and are held in high esteem by the community.

The school offers instruction in all branches of education, including a business course.
